Re: Cellco Partnership d/b/a Verizon Wireless v. Brown, No. 08 CV 427
(RWS)

Dear Judge Sweet:

We wish to inform you that Verizon Wireless and claimants Patricia Brown and Harold Schroer have reached a settlement of all claims asserted in the underlying arbitration that is the subject of this action. As a result, the parties request that the Court stay all proceedings in this matter, including consideration of the pending motion to vacate the Class Determination Award, the motion to dismiss the petition to vacate, and the cross-motions concerning the Partial Final Award.

The settlement agreement is between Verizon Wireless, on the one hand, and claimants Ms. Brown, Mr. Schroer, and the plaintiffs in *Molly White et al. v. Cellco Partnership db/a Verizon Wireless*, Case No. RG04-137699, Superior Court of the State of California, Alameda County (the "California Action"). The proposed settlement class includes all persons in the United States who are or were parties to a wireless service contract with Verizon Wireless

that includes or included a provision for a flat-rate early termination fee since July 23, 1999. The parties to the Settlement also agreed to cooperate in seeking the dismissal of all other actions, including this case and the underlying arbitration.

The California court's order preliminarily approving the settlement is enclosed herewith. Promptly upon final approval of the settlement by the California court, the parties to the Settlement intend to move this Court for an order vacating the Class Determination Award and Partial Final Award and directing the arbitrator to dismiss the arbitration action with prejudice.

I am authorized to state that Scott Bursor, who has been designated lead counsel for the claimants in the arbitration, joins in this request for stay.

Respectfully submitted,

Henry Weissmann
